

Meet the Bracknell team

DEFENCE

JOHN ALDER (goalkeeper): Has been with Bracknell for two seasons since joining from Windsor. Without doubt one of the best 'keepers in the Spartan League.

Bobby Elderfield: Also joined Bracknell from Windsor. He played in last season's match, but just lately has been going through a poor spell.

ALAN JEFFRIES: Has been out of action for several weeks with a knee injury. Joined Bracknell early last season after playing for Wokingham.

DAVE BROWN: (Capt) Son of Burnham manager Ken Brown, he left the Bucks club to seek a team for himself and joined Bracknell. Did not play much in the first team last season, but with Iain MacPhee's departure took over as captain.

JOHN ADAMS: Formerly with Hellenic League side Thatcham before joining Bracknell at the beginning of this season. He has formed a solid partnership with Brown in the middle of the defence.

MIDFIELD

ALAN McLEAN: Has been with Bracknell for several seasons. Recently played at full back and is likely to occupy this position on Sunday.

TONY PARKER: Joined the Newtowners near the tail end of last season from neighbours Wokingham. Previously with Windsor. Parker has slotted in well in midfield.

SIMON DONNELLY: Berks and Bucks Youth player, Donnelly although only 17 has established a regular place in the team.

FORWARDS

RAY BUTTERWORTH: Played his first game last week, scoring against Berkhamsted. Essentially a winger.

ERIC LAMBDEN: Formerly with Wokingham has played on several occasions for Reading Reserves. Mainly a winger and if he plays could cause the Wycombe defenders some problems.

GORDON WILKINSON: Forced to quit the game because of back injury, but may risk the consequences on Sunday. Bracknell are pinning a lot of hopes on him.

NEIL ARMITAGE: Returned to the team last week after over a month out through injury. The tall gangling striker is certain to cause Wycombe plenty of problems, both on the ground and in the air.

JIMMY WOODCOCK: The longest serving Bracknell player, Woodcock is also the top scorer.
